

PROCESO No. IECOL-20-SBCC-CF

Design, development, and implementation of a strategy to generate investment opportunities that focus on attracting anchor companies, efficiency-seeking investments, and nearshoring and relocation opportunities, as well as designing and developing a strategy to attract sustainable investment, green business opportunities, the circular economy, and the bioeconomy.

MODIFICATION No. 1

The Fiduciaria Colombiana de Comercio Exterior S.A. - Fiducoldex, as spokesperson and administrator of the ProColombia Autonomous Heritage, modifies the Notice of Expression of Interest of the Process No. IECOL-20-SBCC-CF within the framework of the Loan Contract IDB 4929 / OC-CO.

For clarity, modifications are **underlined and in bold**.

1. **BEFORE**

Consulting firms/organizations must submit:

1. A cover letter expressing their interest (Annex 1).
2. A general overview of the firm that describes how it is organized. Maximum length: three (3) single-spaced pages using an 11-point font (Annex 2).
3. Financial statements and notes up to December 31, 2019, signed by the firm's legal representative, accountant, and/or tax inspector with the corresponding report.
4. Firm experience (Annex 3):
 - a. Firms/organizations must attach a minimum of three (3) and a maximum of five (5) contracts with public authorities and/or private organizations which legally hired either the firm itself or an association that the firm was one of the main members of, dated after January 1, 2015. Each contract should detail which team members were involved and what roles they played.

(...)

These contracts must have an execution period of no less than six (6) months and be complete by the date of submission of this expression of interest. The total value of all these contracts must be no less than seven hundred and fifty (750) minimum current monthly legal wages (SMMLV).

NOTE 1: Any information on the firm's experience that exceeds the maximum limit will be disregarded and only the first five (5) experiences listed in Annex 3 will be taken into account.
